Dear Sir/Madam,

Sub: Delay in submission of Financial Results for the quarter ended 30th June, 2021 pursuant to the SEBI Circular dated 19th November, 2018.

In Compliance with the SEBI Circular dated 19th November, 2018, we furnish below the reasons for delay in submission of Financial Results for the quarter ended 30th June, 2021.

The Company uses ERP i.e. Enterprise Resource Planning Software to manage the day-to-day accounting operations and other business activities. However, due to technical reasons the ERP software is not operational since last month. Due to the abovementioned reason, the Company is finding it difficult to conduct the day-to-day accounting operations as these are solely dependent on the ERP software. This has delayed the preparation and finalization of accounts and hence publication of the financial results for the quarter ended 30th June, 2021 has also been delayed. We are endeavoring to publish the pending results at the earliest.
