### **Patel Engg bags Rs 806-cr order**

- MUMBAI: Patel Engineering on Friday said it has bagged a Rs 806-crore order in JV with Gammon for a hydroelectric project from Satluj Jal Vidyut Nigam. The work would involve construction of a 15-km long tunnel, a 140-m deep surge shaft and a power house for 434 MW Rampur hydel project in HP. The project would be completed in the next 54 months. The order book position of the company now stands at around Rs 4,800 crore.
